Library Update

Although the Scripps Ranch Friends of Library (SRFOL) was informed that our library's eagerly awaited reopening could possibly occur sometime during the month of November, that now appears to be less likely as work on the new HVAC system and interior repainting were still in progress as of press time. Updates will be posted on the SRFOL website [https://www.srfol.org] as they become available.

Friends Remain Active

SRFOL is looking forward to having the library back open and to welcoming back several returning staff members plus a few who will be new to Scripps Ranch. In the meantime, SRFOL is busy planning a festive and fun celebratory event that is hoped will appeal to community members of all ages and interests.

Book Nook News

Grace's Book Nook, the used bookstore in our library, is seeking a few more volunteers to join our enthusiastic team and help by staffing weekly or alternate week shifts. To learn more, email [booknook@srfol.org].
